Approved product list

Your Adviser is required to recommend investments from an approved product list, compiled and researched by the GPSG Investment Committee using the services of established Research Houses to ensure their suitability to your needs.

When we provide you with advice

This will be documented in a Statement of Advice (SoA) for you. This document will detail and account for your current financial situation, requirements and future needs. The SoA issued to you will also provide you with information regarding:

- The scope of the advice
- A summary of your current financial position
- Details of your goals and requirements
- The strategy and product recommendation we are making
- Advantages, risks and disadvantages of the advice
- Details on how the advice is in your best interest
- Our fees and commissions, as well as the way they are determined
- Any conflicts of interest that may influence the advice we provide to you

Depending on the complexity of the advice or significant changes in your circumstances, subsequent advice will be presented in either a SoA or a Record of Advice (RoA).

If the recommendation for a financial product is made, we will provide you with the information relating to that product in the form of a Product Disclosure Statement (PDS) or other disclosure documents issued by the issuer of the recommended financial product.

Collecting your personal information

You will be requested to provide us with your personal objectives, details of your current financial situation and any relevant information to enable us to provide appropriate advice to you. This will be recorded in a Fact Find which forms part of the data collection process to ensure the advice provided to you is based on your personal situation, needs and objectives, and is in your best interest.

You have the right not to provide us with the above information. However, if you do not, the advice you receive may not be appropriate to your objectives, financial situation and needs. You should carefully read the information and warnings contained in advice documents before making any decision relating to a financial product or advice.
